

## Collage Journaling Supply List

- **Mix Media Art Book** (I recommend, Canson's, 9"x12", spiral-bound)

- **ModPodge** (I recommend the purple, Hard Coat bottle; but it's up to you... if you prefer matte or glossy instead - go for it!)

- **Paint brushes** (just a few basic brushes will do...a value pack with a few larger, a few smaller to start)

- **3-5+ magazines**...I recommend looking at local thrift stores to find a range of magazines from ones you would normally choose to a few that are outside your typical choices; pick magazines that have thicker pages if possible and plenty of images)

- **Manila folders** to store collected images

- **Index card-sized A-Z organizer** for words you collect

- A few sheets of **wax paper** to place between your pages for a few days while they are drying
- A pair of **scissors**
- **Pens/markers**
